

Through the Memorial Tree Program, you can become a partner in the greening of Rock Hill. A \$25.00 gift will plant a single tree in honor of someone you love. Birthdays, anniversaries, memorials, and other special occasions can be chosen to honor your special loved one. All gifts will be matched by public funds to double the value of your contribution.

 Your gift will grow in beauty and value, while enhancing the city's environment. Most of all, your gift will be a living legacy to our city, creating an attractive and pleasant place to live, work, and play.

An acknowledgement card will be sent to the person honored and to the contributor. A certificate of dedication will be mailed after the tree is planted.

To participate, please complete the attached form and mail your contribution to:
