How to Bookmark the Login Page – Chrome Browser

On the **Chrome** browser, click on the **Settings** icon located at the top right of the browser window – represented by either three vertical dots or three horizontal lines.

A drop-down menu appears.

1. Hover over the **Bookmarks** menu option. 2. Click on the **Bookmark this tab...** menu option on the pop-up menu that appears.

You can rename the bookmark or accept what is pre-populated. Then click **Done** to save the bookmark.

The page will appear on the Bookmark Bar with the City's logo. Simply click this bookmark to go directly to the Login page.

How to Bookmark the Login Page – Internet Explorer

In **Internet Explorer**, click **Favorites** on the menu bar at the top left of the browser window. Then click **Add to favorites...** on the drop-down menu that appears.

You can rename the page or accept what is pre-populated. Then click **Add** to save the page as a Favorite.

In **Firefox**, first make sure your Bookmarks tool bar is showing on the browser. Click the menu icon at the top right of the browser. Then click the **Customize** menu option. Click **Show/Hide Toolbars** at the bottom left of the screen. A drop-down menu appears. Click Bookmarks Toolbar.

Next, highlight the entire browser address then drag and drop it onto the Bookmark bar.

Your bookmark appears.
