**Citizen Comments:** None

**Old Business:** None

**New Business:** Commission members went on a tour of current and future sites of where homes in the affordable housing program either are or will be built. Dawn Willingham from the Housing and Neighborhood Services Department led the tour and answered questions. The Mayor's Committee will be investigating ways we can help raise awareness of the Housing Development Corporation's plans to build eight new homes that will be accessible to people with disabilities.

**Additional Comments:** None

**Adjournment:** 1:05PM

Respectfully submitted,  
Wendy Waddle
