

LIQUID WASTE HAULER PERMIT APPLICATION

In accordance with Title 40 of the Code of Federal Regulations Part 503.1(a)(1), The City of Rock Hill's POTW has the legal authority to "establish standards, which consist of general requirements, pollutant limits, management practices, and operation standards, for disposal of sewage sludge generated during treatment of domestic sewage in a treatment works."

SECTION I – GENERAL INFORMATION

Company Name: _____

DBA (if applicable): _____

Federal Id Number: _____ EIN: _____

Physical Address of Facility: _____

City: _____ State: _____ Zip: _____

Phone Number: _____ Email: _____

Owner Name: _____ Alternate Contact: _____

Mailing Address: _____

City: _____ State: _____ Zip: _____

Phone Number: _____ Email: _____

City of Rock Hill Business License Number: _____ (Please provide a copy of issued business license with application)

SCDHEC Registration Number: _____

List any environmental control permits, disposal sites (POTWs) and authorizations issued to your company and any discharge limits associated with those permits.

Identify the type of Liquid Waste Hauler Discharge Permit applying for (select one)

- Porta-Pot Liquid Waste Hauler Discharge Permit** **\$360.22/ Month**

Authorizes the owner of this permit to discharge Porta- Pot Waste (Chemical Toilet Waste). Septage from chemical toilets is all that this permit allows you the liquid waste hauler to discharge to the receiving facility at Manchester Creek Wastewater Treatment Plant, located at 310 Red River Rd, Rock Hill, SC.

- Domestic Liquid Waste Hauler Discharge Permit** **\$690.64/ Month**

Wastewater discharged from plumbing fixtures, appliances and other household devices including, but not limited to toilets, bathtubs, showers, laundry facilities, dishwashing facilities, and garbage disposal. This includes commercial buildings such as office buildings, retail stores, and some restaurants, or from industrial facilities where the domestic wastewater is segregated from industrial wastewater.

- Non-domestic Liquid Waste Hauler Discharge Permit** **\$1030.30/ Month**

Wastewater from industrial/commercial processes, trade or businesses originating from the manufacture of specific products. This waste is usually more concentrated, more variable in content and rate, and requires more extensive or different treatment than domestic wastewater. Septage from household septic tanks, chemical toilets, and approved businesses.

Solid or viscous substances which cause obstruction to the flow in a sewer or other interference with the operation of the wastewater treatment facilities, such as but not limited to grease is not allowed to be discharged to the receiving station at Manchester Creek Wastewater Treatment Plant, located at 310 Red Rive Rd., Rock Hill, SC.

Provide a brief narrative description of the type of wastewater to be transported to the City of Rock Hill's POTW: _____
