Meeting Minutes for May 11, 2023
Operations Center, Room #136

Present: Alice Hardin-Meeks, Brenda Adams, Corey Riley, Marvin Brown, Tangela McKnight Brown, Wes Burton, and Judy Honeycutt

Absent: Cleopatra Allen

Staff Liaison: Andrea Patterson

- I. Welcome: Meeting was called to order at 6:00 p.m.
- II. Update Outreach activity: Alice attended the York Tech Neighborhood Symposium on May 6th. Newer CRB members still needing to complete 2023 ride a-longs will schedule accordingly and complete by the end of the month.
- III. CRB Resolution review and discussion: A discussion was had concerning the CRB Resolution and the red-lined copy that was an agenda item at City Council meeting on May 8, 2023. CRB members have several concerns they would like to discuss with City Council, as the red-lined resolution substantially changes the original stated responsibilities of the CRB and would require Bylaw changes. Concerns are as follows:
 1. How did a Resolution get on the City Council agenda without prior discussion and vote?
 2. Why were changes to the CRB Resolution initiated?
 3. Why were members of the CRB not informed of these changes to the Resolution?

CRB members would like to request a meeting be called with City Council as a whole or partial members who can represent the Council. CRB has a meeting scheduled for Thursday, May 18th and would welcome City Council at that time, or at another date at their convenience prior to the vote at the May 22nd City Council Meeting. Andrea will reach out to the City regarding this matter.
- IV. CRB members voted to enter into Executive Session to discuss a matter concerning the employment of a City employee. Alice Hardin-Meeks motioned to enter into Executive Session, Wes Burton seconded.
- V. Brenda Adams brought the meeting back into public session and members agreed to re-enter Executive Session at the following scheduled meeting to take place on Thursday, May 18th at 6:00 PM.
- VI. The meeting was adjourned at 8:20 PM.
