Ranking	Area	Design Engineer	Road Owner	No of Structures Potentially Affected (1)	Flooding Complaint History	Design/Construction Date	Estimated Cost to Fix (2)	Running Estimated Maximum Cost to Fix (2)	Running Estimated Cost to Fix	Actual Cost to Fix	Project Status	Comments
1 DS #24	Hagins Street/Friendship Drive	Hazen & Sawyer	RKHL	7	Yard Floods	Design 2014 Constr 2015	\$488,300.00	\$488,300.00		\$714,969.00	Completed 11/20/2015--Blythe	Reduce roadway flooding. Replaced existing 60" with 10"x5' box culvert under Allen St. Stream improvements to reduce structure flooding on Friendship Dr.
	Allen Street		SCDOT	1	No Calls		\$225,000.00	\$713,300.00				
2	Charlotte Avenue	Hazen & Sawyer	RKHL	4	Yards Flooding	Design 2014 Constr 2015	\$714,253.00	\$1,427,553.00		\$797,698.00	Completed 11/20/2015--Sealand	Reduce structure flooding. Replaced existing twin 36" with 11"x5' box culvert.
3	Pinevalley Rd/ Midbrook Dr Woodhaven	Keck & Wood	RKHL	2	Yard Flooding	Design 2014 Constr 2015	\$723,726.00	\$2,151,279.00		\$1,100,724.00	Completed 12/31/2015--Garawco	Reduce structure and roadway flooding. Replaced multiple crossings with box culverts.
			SCDOT	4	House Floods		\$400,000.00	\$2,551,279.00				
4	Eagle Drive/Hummingbird Ln/Raven Drive	Hazen & Sawyer	RKHL	3	No Calls	Design 2014 Constr 2015	\$1,052,497.00	\$3,603,776.00		\$1,002,136.00	Completed 11/15/2015--United	Reduce structure and roadway flooding. Upgraded multiple crossings.
5	Charlotte Avenue	Keck & Wood	SCDOT	1	Yard Floods	Design 2015 Constr. 2017	\$993,300.00	\$4,597,076.00	\$993,300.00	\$989,302.95	Completed 6/1/2018--Blythe	Reduce roadway and structure flooding. Installing detention pond behind Winthrop Commons. Upsizing roadway pipes with box culverts.
	Marydale Ln		RKHL	(Tops in 10-Year)	No Complaints		\$4,597,076.00	\$993,300.00				
6	Grand Oak Dr.-Miller Pond II	Keck & Wood	RKHL	36	Road & yard flooding. Only ingress/egress eliminated	Design 2015 Constr. 2017	\$550,000.00	\$5,147,076.00	\$1,543,300.00	\$522,185.00	Completed 10/13/2017--Nash Garland	Masterplan shows an existing 42" causes roadway overtopping. No emergency access for 36 homes when road overtops. Existing 42" diameter pipe installed prior to annexed in 2011. Proposed 10"x6' Box culvert
7	Ebinport RD / Northgate Ln	McAdams Co.	SCDOT/RKHL	4	Yard flooding	Design 2015 Constr. 2017	\$500,000.00	\$5,647,076.00	\$2,043,300.00	\$373,462.52	Completed 2/27/2018--City Stormwater	Reduce multiple structure flooding during small rain events. Expanding existing detention facility.
8 DS 8b	Aldersgate Rd.	Hazen & Sawyer	RKHL	36	Yard Flooding & ingress/ egress eliminated	Design 2015 Constr. 2017	\$1,100,000.00	\$6,747,076.00	\$3,143,300.00	\$1,051,580.30	Completed 11/17/2017--Blythe	Existing 66" diameter causing road overtopping. Proposed 12"x6' box culvert. No emergency access for 35 homes when road overtops.
9	S.Thornwell Ave Thornwell @ Glendale Dr N. Thornwell Ave	Keck & Wood	RKHL	0	Culvert failures in the roadway	Design 2015 Constr. 2017-19	\$1,616,000.00	\$8,363,076.00	\$4,759,300.00	\$1,629,166.84	Completed 6/25/2019--Garawco	Reduce roadway flooding and infrastructure failure. 60 inch Pipe Separating under road, 9 Work Orders for emergency pipe repairs including pipe joint separations, sink holes, roadway and sidewalk failure, etc....
			RKHL	0				\$8,363,076.00	\$4,759,300.00			
			RKHL	0				\$8,363,076.00	\$4,759,300.00			
10 DS #15,16,21	King Drive	Hazen & Sawyer	RKHL	18	Houses and Yards Flood	Design 2015 Const. 2019	\$2,100,000.00	\$10,463,076.00	\$6,859,300.00		Purchased & removed 4 homes in floodplain. Street design underway	Reduce city park, roadway, structures flooding, by possible installations of flood benches, roadway elevation and/or relocation. Possible FEMA house buyouts, elevation and/or relocation.
	Doby Drive		RKHL					\$10,463,076.00	\$6,859,300.00			
	Aaron Avenue		RKHL					\$10,463,076.00	\$6,859,300.00			
	Duffy Dr.		RKHL					\$10,463,076.00	\$6,859,300.00			
11 DS #22	Cavendale Drive	Hazen & Sawyer	RKHL	53	Yard & street flooding/culvert upgrade. Only ingress/egress	Design 2015 Constr. 2019/20	\$2,170,200.00	\$12,633,276.00	\$9,029,500.00		In the process of rebidding the project due to budget	Reduce roadway flooding. No emergency access for 53 homes when road overtops. Adding 2 additional arch culverts parallel to existing arch culvert.
12	Riverview Road / Flintwood Drive (Stones Crossing Apartments)		RKHL	11	Yards Flood/bridge widening?		\$2,600,000.00	\$15,233,276.00			Executed contract with Keck & Wood on 2/22/2019. Preliminary design complete and reviewing alternates.	Reduce roadway and structure flooding. Possible bridge replacement, stream improvements.
13	Bryant Blvd		RKHL	0	No Complaints	See also #108 Ottawa Dr.	\$1,500,000.00	\$16,733,276.00			Waiting on funding to move forward with design	Reduce roadway and structure flooding. Possible culvert replacement, installing detention facility.
14 DS #26	Willowbrook		SCDOT	3	One House Floods			\$18,733,276.00			House demolished 2/2019	
	Gordon Court (Apartments)		Private	2	Yards Flood		\$2,000,000.00	\$18,733,276.00				Reduce structure and parking lot flooding. Possible culvert replacement and stream restoration. FEMA remapping project removed 5 houses on Barrow Cr., 1 house on Spring and 3 houses on Eastwood from floodplain with May 16, 2017 map.
	Barrow Court	FEMA	SCDOT	5	Yards Flood			\$18,733,276.00				Mapping error resolved with May 16, 2017 map revision
	Spring Street / Eastwood Drive	FEMA	SCDOT	5	Yards Flood			\$18,733,276.00				
15	Barber Street		RKHL	20	Multiple- Yards Flood			\$22,033,276.00				Reduce structure and roadway flooding. Possible culvert replacement and stream improvements.
	Carroll Street/Frank Street		SCDOT/SCDOT	24	Multiple- Yards Flood		\$3,300,000.00	\$22,033,276.00				
	Lige Street		SCDOT	0	No Complaints			\$22,033,276.00				
16	Arch Drive/Walnut Street		RKHL/RKHL	16	Floods Streets and Parking Lots			\$25,533,276.00				Reduce structure and roadway flooding. Possible culvert replacement and stream improvements.
	Rich Street/Jefferson Ave		SCDOT/RKHL	23	Multiple-Yards Flood		\$3,500,000.00	\$25,533,276.00				
	Carolina Ave/Little Street		SCDOT/SCDOT	9	Multiple-Yards Flood			\$25,533,276.00				
17	Winthrop Commons (Beaty Mall) 725 Cherry Rd.		City Easement	1	Pipe under building		\$5,000,000	\$30,533,276.00				Pipe replaced from Cherry to building & pipe lined under building-8/2018
								\$30,533,276.00				
8b	Mt. Gallant Rd.-below Bristol Park		SCDOT SR195	0	Road overtopping		\$500,000	\$31,033,276.00			Under Design by KCI Pennies Project #17-001D	Existing culvert causing backwater condition into Bristol Park
18	Morris St		SCDOT	0	No Complaints		\$800,000.00	\$31,833,276.00				Reduce roadway flooding. Possible culvert replacement and stream improvements.
19	Roddey Street		SCDOT	7	House Floods		\$1,000,000.00	\$32,833,276.00				Reduce roadway flooding. Possible bridge replacement and stream improvements and/or upstream detention facility.
20	McDow Drive		SCDOT	1	No Calls			\$35,233,276.00				Reduce structure and roadway flooding. Possible culvert replacements and stream improvements.
	Bose Avenue		SCDOT	1	House Floods		\$2,400,000.00	\$35,233,276.00				
	Chandler Dr		SCDOT	(Tops in 2-Year)	No Complaints			\$35,233,276.00				
21	Pinewood Lane		SCDOT	4	Yards Flooding		\$1,600,000.00	\$36,833,276.00				Reduce structure and roadway flooding. Possible culvert replacements and stream improvements.
22	Saluda Street		SCDOT	4	No Calls		\$3,000,000.00	\$39,833,276.00				Reduce structure and roadway flooding. Possible culvert replacements and stream improvements.
23	Hollis Lakes Road		SCDOT	3	No Calls		\$800,000.00	\$40,633,276.00				Reduce structure and roadway flooding. Possible culvert replacements and stream improvements.
24	Finley Road/Pine Terrace Drive		SCDOT	3	Back Yards Flood		\$800,000.00	\$41,433,276.00				Reduce structure and roadway flooding. Possible culvert replacements and stream improvements.
25 DS#32	Constitution Blvd./Main St.		SCDOT	2	No Calls		\$3,000,000.00	\$44,433,276.00				Reduce roadway flooding. Possible culvert replacements and stream improvements.
26	Montclair Street		SCDOT	1	Yard Floods		\$1,800,000.00	\$46,233,276.00				Reduce structure and roadway flooding. Possible culvert replacements and stream improvements.
	Parkwood		SCDOT	(Tops in 10-Year)	No Complaints			\$46,233,276.00
